

# TWELVE STATE-SPECIFIC NEXUS CREATING ACTIVITIES FOR SUT

- Trade shows
- Advertising in local media
- In-state bank accounts
- Licensing of intellectual property or software
- Sale or licensing of franchises
- Qualification with the Secretary of State
- Data storage on servers
- Related entities
- “Click-through” relationships
- Seminars
- Dropshipping relationships
- Use of an answering service located in state

This is a list of activities that vary widely among the states. See the companion list of Common Nexus Creating Activities which create nexus in most if not all states. If you require assistance in determining your specific nexus footprint let us know.
